THE VISION

A Night Curated for Distinction

A Night of Angels is an exclusive, all-white luxury dinner curated for SS Peter & Paul Catholic Church's most distinguished circle of entrepreneurs, executives, and tastemakers.

This year, the focus is on the experience: refined dining gives way to live entertainment and an unmistakable after party style energy after 9:30 p.m., so guests never need to leave to find the party. It is designed to be the most photographed and talked-about evening of the harvest season.

For partner brands, it's a rare chance to be woven directly into a premium, intimate experience rather than competing for attention in a crowded room.
